Media Player Storage/Carry Case

Model 2005

Help protect your investment in audio equipment with this rugged storage case. Made with a durable black polypropylene shell and internal foam padding, it will help keep your multi-media players, headphones and other portable audio equipment safe and organized between uses.

1. Protective outer shell resists marring and scratching
 2. Opposing outer clasps prevent accidental opening
 3. Foam-lined interior protects multi-media gear, cassette players / recorders, CD players and headphones
- One year warranty for school use - unlike items purchased from consumer electronics stores whose warranties would be voided if used in schools
