Listening First™ Stereo Headset with To Go™ Plug

Model 2800TBK (black)

This Listening First headset helps beginners succeed with their read-alongs. This classroom-rugged iCompatible headset is purpose built for younger students and loaded with added safety features. It's ideal for assessments, small group listening & language learning activities and two-way communication such as during Skype/Facetime/Google+ Hangouts. It's compatible with tablets, laptops & desktop computers, iOS / Android and Windows-based mobile devices.

1. Adjustable headband for personalized fit
 2. Smaller overall headband to fit younger children
 3. Rugged ABS plastic construction for classroom safety
 4. Permanently attached 5.5' straight cord with reinforced "strain" relief connection resists accidental pull out
 5. Single 3.5mm To Go plug connects with smartphones, tablets, computers, Chromebooks, computers or a jackbox
 6. Flexible noise-canceling electret microphone
 7. Ambient noise-reducing earcups lower outside noise for hearing safety and helps keep students more on task
 8. Protective slotted baffles inside the earcups cover the speakers and help prevent accidental damage from prying fingers & foreign objects
- Two-year warranty for school use - unlike headsets purchased at consumer electronics stores whose warranties would be voided if used in schools.
