

THE SIGHTS & SOUNDS
OF EDUCATION

10-Pack of Multimedia Stereo Headsets

Model **3064USB-10**

An ideal companion for today's digital classrooms or libraries, this classroom pack of ten lightweight USB-equipped headsets allow faster access to media files and streaming audio files. Its rugged storage case safely holds them when not in use.

1. Lightweight headband with ABS plastic, noise-reducing earcups to deaden ambient sounds, recessed wiring and replaceable leatherette ear cushions fits all students
 2. Permanently attached 8 foot straight cord with reinforced connection resists accidental pull out
 3. High speed connectivity with backwards-compatible USB 2.0 plug
 4. Accessible in-line volume and mute control, mic on/off switch
 5. Omnidirectional electret mic on flexible gooseneck
- Rugged Storage Case included
 - Convenient "plug and play" format for Windows/Mac compatibility
 - Warranty for school use - unlike headsets purchased from consumer electronics stores whose warranties would be voided if used in schools

Specifications
