

Deluxe Stereo Headset

Model 3066AV

CALIFONE® INTERNATIONAL LLC. | THE SOUNDS OF EDUCATION | 800-722-0500 | CALIFONE.COM

The Deluxe Headset is designed for digital learning and language-based assessments requiring verbal responses.

Its noise-reducing microphone is designed to pick up the student's voice - not those around them, while the noise-reducing earcups help to minimize external distractions and keep students on task.

The universal 3.5mm plugs makes the 3066AV a solid choice for connecting to older desktop and laptop computers in classrooms, computer labs, and testing environments.

The audio playback is calibrated to enhance the tonal range of the human voice, which is critical for language learning.

Compatible with older Chromebooks, laptops, desktops, & MACS. [Click to read more.](#)

3-Year Commercial Warranty

[Covers use in schools, which is considered to be a commercial / industrial application. Warranties on headphones made for consumer uses are voided when used in schools. Click to read more.](#)

Features

1. Rugged ABS plastic headstrap with "Comfort Sling" better distributes the weight for increased comfort
2. Fully adjustable headband
3. Noise-reducing circumaural earcups lower external noise so volume needn't as high, for hearing safety
4. Volume control conveniently located on earcup
5. Reinforced entry point of the cord into the earcup
6. Dual 3.5mm plugs for use with older laptop and desktop computers
7. 6' straight cord long enough to avoid accidental pull out
8. Noise-reducing electret mic encased in rugged steel housing
9. Slotted baffles prevent speaker access from damage
10. Replaceable leatherette ear cushions

Specifications

Speaker	40mm Mylar
Magnet	Ferrite Cobalt
Impedance	25 Ohms ± 15% each side
Frequency Response	20-20,000 Hz
Sensitivity	107dB SPL ± 3dB at 1kHz
Input	Min/Max 20/30 milliwatts
R/L Output Diff	3 dB
Distortion	5%
Input Connection	3.5mm, nickel-plated stereo
Earpad	Replaceable (EP-36X)
Cord	6' straight, permanently attached
Microphone	Electret condensor
Directivity	Omnidirectional
Sensitivity	-38dB, min -35dB, max -41dB
Frequency Response	10-10,600 Hz
Impedance	1,500 Ohms ± 15%
Operating Voltage	2V up to a maximum 10V
Output Connection	3.5mm, nickel-plated stereo
Weight	12 ounces, shipping weight 2 lbs.
Carton	40 pcs per carton, 33lb ship weight
