

# Deluxe Stereo Headset with To Go Plug

## Model 3066BKT

CALIFONE® INTERNATIONAL LLC. | THE SOUNDS OF EDUCATION | 800-722-0500 | CALIFONE.COM

The 3066BKT headset is designed for digital learning and language-based assessments requiring verbal responses.

Its noise-reducing microphone is designed to pick up the student's voice not those around them, while the noise-reducing earcups help to minimize external distractions and keep students on task.

The universal To Go plug makes the 3066BKT ideal for connecting to the most popular mobile devices and desktop computers in classrooms, computer labs, and testing environments.

*The audio playback is calibrated to enhance the tonal range of the human voice in language learning.*

Compatible with Chromebooks, iPads, iPhones, Galaxy, Surface, laptops, desktops, & MACS. [Click to read more.](#)

### 3-Year Commercial Warranty

Covers use in schools, which is considered to be a commercial / industrial application. The warranty on headphones made for consumer use is voided if used in schools.

### Features

1. Rugged ABS plastic headstrap with "Comfort Sling" better distributes the weight for increased comfort
2. Fully adjustable headband
3. Noise-reducing circumaural earcups lower external noise so volume needn't as high, for hearing safety
4. Volume control conveniently located on earcup
5. Reinforced entry point of the cord into the earcup
6. 3.5mm To Go plug for use with computers, tablets, smartphones and other mobile devices
7. 6' straight cord long enough to avoid accidental pull out
8. Noise-reducing electret mic encased in rugged steel housing
9. Slotted baffles prevent speaker access from damage
10. Replaceable leatherette ear cushions

### Specifications

Speaker	40mm Mylar
