

610™ Binaural Headphone

Model 610-44S

CALIFONE® INTERNATIONAL LLC. | THE SOUNDS OF EDUCATION | 800-722-0500 | CALIFONE.COM

One of the best headphone values, the 610-44S is respected and known for its comfort, quality, versatility and affordability.

Its stereo sound and durability makes this a solid favorite for heavy day-in and day-out use for 1:1 and small group activities, digital language learning and assessments.

The steel-reinforced straps have a memory feature that no matter how they're bent or twisted, they remember their original shape and spring back. The replaceable, easy-to-clean vinyl ear cushions are the most durable on the market and are also hypo-allergenic, no latex.

Its audio playback is calibrated to enhance the tonal range of the human voice for use in language learning.

Compatible with Chromebooks, iPhones, iPads, Galaxy, Surface, laptops, desktops, & MACS. [Click to read more.](#)

3-Year Commercial Warranty

[Covers use in schools, which is considered to be a commercial / industrial application. The warranty on headphones made for consumer use is voided if used in schools. Click to read more.](#)

Features

1. Fully adjustable headband
2. Recessed wiring for safety
3. Noise-reducing circumaural earcups lower external noise so volume needn't as high, for hearing safety
4. Reinforced entry point of the cord into the earcup
5. 5' straight cord long enough to avoid accidental pull out and tested to withstand 250,000 flexes
6. Universal 3.5mm plug
7. Slotted baffles prevent speaker access from prying fingers or foreign objects for safety
8. Industry's most durable and easy to replace ear cushions
9. Rugged ABS headstrap and earcups resist breakage in high-use situations
