

THE SIGHTS & SOUNDS
OF EDUCATION

Classroom 10-Pack of 610™ Binaural Headphones

Model 61044S-10L

One of the best values in education, the headphones in the 61044S-10L ten-pack are known for their comfort, quality, versatility and affordability. Its stereo sound and durability makes this a solid favorite in computer labs and libraries. It's iCompatible with iOS, Windows and Android-based tablets, smartphones, laptops and desktop computers as well as Chromebooks.

Its durable construction enables the 610 to hold up to the heavy day-in and day-out use from students.

The steel-reinforced dual headband straps of the 610 are fully adjustable and designed to be equally comfortable for younger students or for use in adult education classes. The headbands have a "memory" feature that no matter how they're bent or twisted, they "remember" their original shape and spring back.

The non-replaceable 5' cord withstands 250,000 flexes

The replaceable, easy-to-clean vinyl ear cushions are the most durable on the market and are also hypo-allergenic, no latex.

1. Steel-reinforced dual headstraps are fully adjustable to comfortably fit younger students and adults
2. Rugged headstraps with recessed wiring for safety
3. Noise-reducing earcups (over the ear) decrease external ambient noise
4. Non-replaceable 5' straight cord with 3.5mm plug
5. Slotted baffles protect the inner speakers
6. Replaceable hypo-allergenic (no latex) ear cushions
