

Discovery Headset

Model DS-8VUSB

CALIFONE® INTERNATIONAL LLC. | THE SOUNDS OF EDUCATION | 800-722-0500 | CALIFONE.COM

The professional-grade Discovery headset is unrivalled for its comfort and durability in classrooms and labs .

Its unidirectional, noise-reducing microphone and around the ear earcups are designed to reduce external ambient noise. The mic will pick up the wearer’s voice - not those around them, while the noise-reducing earcups help to minimize external distractions and keep students on task.

The USB plug makes the 4100USB ideal for connecting to some tablets and the most popular laptop and desktop computers in classrooms, computer labs, and during testing.

The audio playback is calibrated to enhance the tonal range of the human voice, which is critical in language learning.

Compatible with Chromebooks, Galaxy, Surface, laptops, desktops, & MACS. Click to read more.

3-Year Commercial Warranty

Covers use in schools, which is considered to be a commercial / industrial application. Warranties on headphones made for consumer uses are voided when used in schools. Click to read more.

Features

1. Recessed wiring resists prying fingers for safety
2. Rugged and adjustable ABS headstrap with “Comfort Sling” better distributes the weight for increased comfort
3. Noise-reducing circumaural earcups lower external noise so volume needn’t as high, for hearing safety
4. Industry’s deepest earcup cavity provides unmatched comfort
5. Reinforced entry point of the cord into the earcup
6. USB plug for use with computers and some tablets
7. Replaceable 6’ straight cord long enough to avoid accidental pull out
8. Noise-reducing electret mic pivots from earcup

Specifications

Headphone	40mm Mylar, Ferrite Cobalt magnet
Impedance	64 Ohms
Distortion	5%
Input Connection	<u>USB plug 2.0</u>
Cord	6’ straight, replaceable
Microphone	Electret condenser
Type	fixed boom arm, pivots from earcup
Directivity	Omnidirectional
Frequency Response	70-18,000 Hz
Impedance	300 Ohms ±30%
Operating Voltage	200mW
Output Connection	USB 2.0
Operation	mic on/off/mute - inline
Volume Control	On right earcup
Weight	12 ounces, shipping weight 2 lbs.,
