Portable DVD Player

Model DVD50-PLC

Easy to use, this top-loading compact DVD player is ideal for classroom use, mobile AV carts and is portable enough to also support itinerant teachers. This mini-DVD player and headphones are suited for smaller learning groups and situations requiring shared equipment. Its rugged polypropylene case protects the contents during storage and transportation.

1. Rugged foam-lined carry and storage case
 2. Convenient top loading DVD player ideal for classroom use and plays all popular formats with bright 7" screen
 3. Full function remote control (batteries included)
 4. Two lightweight stereo headphones (3060AVS) connect to player with audio splitter for individual use or group learning center
- One year warranty for school use - unlike DVD players and headphones purchased from consumer electronics stores whose warranties would be voided if used in schools
