# Four-Pack Titanium™ Series Headsets HPK-1034

**Help optimize small group learning experiences with this set of four Titanium series headsets.**

- \* Softer, more comfortable ear cushions
- \* Comfort strap for longer wearability
- \* Adjustable headstrap rugged enough for daily classroom use
- \* Earcups offer the highest passive ambient noise rejection, effectively blocking external distractions to keep students on task
- \* Detachable 6' cord is thicker than previous models
- \* In-line volume control
- \* Dual 3.5mm plugs
- \* Noise-reducing electret microphone with reinforced boom for durability
- \* Protective slotted baffles guard against perforation of the speakers
- \* Sentinel switch on the earcup restricts the volume to 85dB. LED light in earcup is green when the feature is active

85dB switch is built into the earcups

Please contact us immediately if you experience any difficulties with your Headset. Our "Project Intercept" customer service program will quickly repair or replace items under warranty. Simply contact us via phone or email [warranty@califone.com](mailto:warranty@califone.com).

Visit our website to [register your product](#) and to learn more about the complete line of *Califone*® audio enhancing and visual technology products including: Wired and Wireless public address systems and lecterns, wireless microphones, headphones & headsets, group listening centers, multimedia players, computer peripheral products and installed classroom infrared systems.

*We are proud of helping teachers enhance student understanding and achievements since 1947, with your satisfaction as our first priority.*

This headset carries a two-year warranty for school use - unlike items purchased from consumer electronics stores whose warranties would be voided if used in schools. It has service support available through authorized dealers nationwide.
