

Kids Computer Peripheral Package

Model KIDSPACK

Help engage and inspire beginning computer users with this accessories package. All are made from rugged ABS plastic for durability and safety, their fun, bright colors will capture student interest and the simplified keyboard functions will inspire their confidence. The smaller sized headphones and mouse are designed for a comfortable fit.

1. Keyboard features include: Color-coded keys help identify and locate function (green), consonants (yellow), vowels (orange) & number (red) keys; Microsoft Office Hot Keys: open folder, save file, print, cut, copy, paste, rotate window, wakeup screen, sleep (standby), power off; 85 keys formatted in standardized QWERTY layout; with USB plug.
 2. Headphone features include: Adjustable headband sized specifically for young children; Permanently attached cord with reinforced connection; Lengthy 10' straight cord with right angle 3.5mm plug reduces accidental pull-out; Ambient noise-reducing earcups; Protective slotted baffles prevent accidental damage from prying fingers & foreign objects.
 3. Mouse features include: Reinforced connector resists pull out; Smaller size designed for use by younger students; USB and PS2 connection; Optical tracking for higher accuracy and ease of use.
- Warranty for school use - unlike items purchased at consumer electronics stores whose warranties would be voided if used in schools.
