

THE SIGHTS & SOUNDS
OF EDUCATION

Fundamental Card Reading Center

Model MCFRC

This portable card reader and language programs enhance classroom curriculum, foreign language acquisition and speech-language therapies. A permanent record of a student or client's progress can be made by recording onto a blank magnetic card or plugging a cassette recorder into the auxiliary output. Preprogrammed "Action Phonic Fundamentals" cards offer vocal mirroring capability with consonants & vowels, picture words, rhyming words and many other fundamentals.

1. Phonics Cards reinforce vowels and consonants while **Picture Word** and **Readiness** Cards introduce shapes, colors, numbers and the alphabet
2. Sturdy storage case
3. 2010AV Card Reader with Built-in microphone, headphone and mic jacks

"Project Intercept"
