

Rhyming Word Fundamentals Card Reader Program

Model MCFRW1

- Separately numbered cards for easy classroom management
- Vocal mirroring capability with additional card programs and teacher created lessons with single/double-sided blank cards

CardMaster Card Readers can enhance classroom curriculum, speech-language therapies, foreign language acquisition and ELD/ ESL applications. This Rhyming Word program offers 86 printed words in full color covering familiar high frequency rhyming words. Each cards has two words and its associated image. In addition to using prerecorded card programs, teachers can also create their own lessons using separate single or double-sided blank cards.
