

THE SIGHTS & SOUNDS
OF EDUCATION

The PresentationPro system delivers more power, clarity and portability than any other system in its class. Perfect for schools, board meetings, theaters and churches, this easy to use equipment includes everything that's needed for audio amplification and multimedia presentations.

1. The 30W RMS PresentationPro is powerful enough for groups up to 500 people with (un) balanced XLR/1/4" mic and phone jack aux inputs, volume and tone controls
2. Omnidirectional bracket includes hardware for tripod mounting and for permanent installation
3. Portable tripod with carry case for mobility and storage
4. Dynamic wired mic for presentations
5. Foam-lined carry case for safe storage
 - Ideal for mobile presenters, classroom and athletic applications
 - Warranty for school use - unlike some other audio products purchased from consumer electronics stores whose warranties would be voided if used in schools
