

Paging Horn

PHT15

When announcements made from the main office need to be heard out in the schoolyard or on the playing field, this 15W paging horn is up to the task.

Its all-weather design and rugged construction help ensure your messages will be heard throughout all four seasons.

The Paging Horn features a multitap transformer with screwdriver-adjustable power taps for 100V & 70V modes.

1. Built-in 15W/7.5W/3.75W/1.8W multitap transformer & screwdriver-adjustable power taps with 100V & 70V modes
2. Steel bracket with 3 predrilled holes for secure installation
3. All-weather construction
