OF EDUCATION

Superior Stereo Headphones

Model SA-740

This high-quality fidelity stereo headphone is designed for music appreciation labs, ear training and library listening centers and any other situation where superior quality headphones are needed.

1. Noise-reducing earcups lower ambient noise so volume does not need to be as high, as recommended by audiologists. Made with rugged ABS plastic to withstand high-use situations
2. Recessed wiring resists prying fingers for added classroom safety
3. Replaceable over-the-ear-fitting leatherette cushions
4. Adjustable "comfort-fit" leatherette headband wrapped around a polished steel band for durability
5. Permanently attached cord with reinforced "strain" connection resists accidental pull out
6. Lengthy 8' straight cord with 3.5mm mini plug and snap-on 1/4" adapter fits all media players
 - Windows and Mac compatible
 - One year warranty for school use - unlike headphones purchased at consumer electronics stores whose warranties would be voided if used in schools

"Project Intercept"

Please contact us immediately if you experience any issues with your SA-740 headphones. Our "Project Intercept" customer service program will quickly repair or replace items under warranty. Simply contact us via phone or email warranty@califone.com.
