

Wall Mounting Hardware for SP-2500 Speakers

Model MB-25

1. Safety cable included for mounting confidence
2. Attachment plate pre-drilled for securing to wall
3. Easily attaches with SP-2500 speaker
4. Omnidirectional mount for optimal speaker positioning
5. Pre-drilled for two screw attachment to speaker
 - One year warranty for school use - unlike items purchased from consumer electronics stores whose warranties would be voided if used in schools

Designed to wall mount the *Califone* SP-2500 speakers, the pair-packed MB-25 speaker hardware provides a quick and easy way to create an optimal distributed sound environment.
