

Professional Companion Speakers

Model SP-2500

1. Rugged ABS plastic enclosure for durability and safety
 2. Steel grilles for speaker protection
 3. Spring-loaded wire clips for quick installation
 4. Use with optional omnidirectional mounting brackets (MB-25) to create an optimal classroom listening environment for up to 100 people
- One year warranty for school and business uses - unlike speakers purchased from consumer electronics stores whose warranties would be voided if used in schools

Specially designed for Sound Contractors and Systems Integrators, the SP-2500 Companion speakers are an affordable speaker system which are ideal for installation in classroom, business and church settings that require additional sound projection.
